LODGE + TREE HOUSES  
KAIKOURA, NEW ZEALAND

We invite you to explore our grounds and the surrounding area at your leisure.

For those who prefer a guided experience, we offer a Nature Walk every morning at 10:30 AM, departing from the main lodge lounge.

Complimentary mountain bikes are also available for guest use; however, we kindly ask that you complete the disclaimer form found in our compendium or at reception before use.

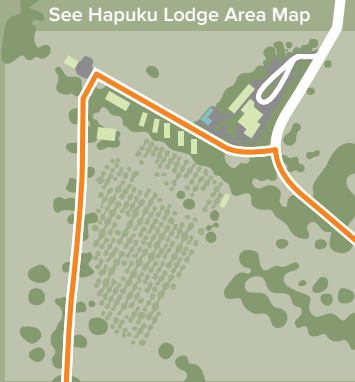

As our property is a working deer farm, we kindly request that guests refrain from entering any gated areas.

We trust you will enjoy the scenery.
